

# ILL-250 : Surface Design 1

Modern technology has enabled great design to function across multiple surfaces. Everything from Stationery, paper goods, party ephemera and the gift market through to large format designs for wallpapers is now a canvas for imagery, original artwork, and the stylish use of color and pattern. This class is project based. Scale, color palette, design, pattern, trend, and topical themes will be covered along with production guidelines for manufacturing requirements and printing.
